

Dear Sir/Madam,

I am not a really big fan of either of the 2 candidates running for the presidency this year. I am, however, a big fan of equality and fairness. This is why I am an American and for this same reason I am appalled by lop-sided playing fields and it is for this reason that I am writing to you today.

Sinclair's use of the public airwaves free of charge, obligates them by law to serve the public interest.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
